

Articulate 2016

A visual Art and Literacy Adventure

St Mark's photography club was formed in January 2016, the Primary six and seven pupils involved had several weeks intense training with a visit in between from SCRAN. They are now in the process of running workshops themselves, involving each class in a whole school photography project. We have tried to stick to a contemporary feel this year, following a school visit to the **Turner** in January that left us all really inspired.

ARTiculate has followed the same format and the project was delivered across all primary 6 and 7 classes. Iconic photography was the pupils' main focus for research, writing and talks during term 3. The finalists have been working most lunch times, showing dedication and aptitude. As last year, Alan Horn, Glasgow School of Art Financial Director and Ron Cowie, Education Scotland have both agreed to be judges. This year, we are privileged to be joined by Matilda Williams, from St Modan's High School, who won Roche Court's ARTiculation Competition 2016!
