

St Mark's Primary School

Government Funded Free Meal Entitlement & Clothing Grants

Why should I sign-up?

The Scottish Government's "Pupil Equity Funding" means that we can access funding to support your child in school.

-  If you meet the conditions then you are allowed additional benefits, which would be either for clothing and/or free school meals.
-  If your child is in P1 – P3 and will receive free school meals anyway, it is still important that you sign up so that you can apply year on year after they have left P3.
-  The current school funding formula, implemented by the Scottish Government is allocated against the number of children registered for FME. If families who are entitled to this benefit do not register for it then it is possible that the school will also be missing out on the allocation of funds.
