

Parental Engagement Calendar of Events

St Mark's Primary School

Dear Parents/carers,

Below is a calendar of events for this session to give parents/carers the opportunity to work with their children, find out more about how our pupils learn and have a say in how to further improve our school. Based on feedback we have included the dates for the whole session to give plenty of notice. We would love to see as many parents/carers/family members at as many sessions as possible. If any parent/carer/family member would like to run a group or session in our Family Room please contact Christine Healey.

Please complete and return the tear off slip to ensure we can accommodate the numbers wishing to attend.

Many thanks

Christine Healey

Depute Head Teacher
