

Dear Parent/Guardian

We are actively seeking to commence a breakfast club within St Marks Primary school at the start of the new School term in January 2020. The club will run from 8am to 8.45/9am (dependent on when school day starts) from the dining hall. The cost of the service is £3.95 per session and £3.50 for siblings. If you are using the service for the full week the cost is £3.50 per session. The service will offer a range of cereals, toast or healthy snacks and drinks and the children will have the opportunity to join in activities/games in the morning.

The service can be booked on a contract basis with set days each week or alternatively you can book your child on an ad hoc basis (contact us to discuss). We wish to provide a flexible service and will endeavor to provide a place to your child. Places cannot be guaranteed if they are ad hoc and confirmation will only be given at time of booking.

Please get in touch as soon as possible if you are interested in our service and we will send our booking and registration forms to you for completion.

If you require any further information please do not hesitate to contact us.

Kind regards
