School

Improvement Plan

2024 - 2025

Learning

Provision

Further promote inclusive practice and improve universal support in our classrooms

Review our approaches to working with highly able learners to ensure consistent levels of challenge for all

Review approaches to Mental, Emotional and Social Wellbeing curriculum to improve pupil wellbeing, focus and readiness to learn

Gain Rights Resecting Schools and Reading Schools Gold Awards

Successes and Achievements

Gain the 'We Promise' Award

Deepen our commitment to decolonising the curriculum and anti-racist principles

Learn about differences

Consolidate progressive approaches to learning, teaching and assessment of

writing and talking and listening to further raise attainment in literacy

> Develop our approaches to interdisciplinary learning, enhancing opportunities for pupil-led learning, learning for sustainability and transformative community action

Continue to use Pupil Equity Funding to support targeted literacy and numeracy interventions to narrow the poverty related attainment gap
