

St. Mark's Primary

School Improvement Plan 2025 - 2026

Deepen our commitment to collaborative professional enquiry through Research Partnership Project with Hillview Primary School and the University of Strathclyde

Pupil Equity Funding: Continue to use Pupil Equity Funding to improve social and emotional wellbeing and support targeted literacy and numeracy interventions to narrow the poverty related attainment gap

Leadership and
Management

Successes and
Achievements

Learning for Sustainability: Developing our school grounds as a resource for learning and transformative community action

Profiling and Reporting: Reflecting on our learning to help children, teachers and families better plan and understand next steps

Learning
Provision

Wellbeing and Learning: Embedding the CIRCLE framework to strengthen inclusive practice and improve approaches to meaningfully involve learners and their families in decisions and actions related to wellbeing and learning
