ST. NINIAN'S HIGH SCHOOL CANTEEN SYSTEM

AUGUST 2021

You can now download an app to your phone to check your balance on your account and to order food in advance.

To do this you need a **pin (6 digits)** for the canteen. S1 pupils were issued a pin with their new timetables. S2-6 should already know their pin- it was emailed to Glow accounts in November 2020. If they have forgotten it, they can ask in the canteen.

USING THE NEW APP: FUSION ONLINE

The app will allow you to:

- Check your balance on your phone
- Order your food in advance (from 2pm for the next day)
- View upcoming meal selections.

Download the app by clicking on the following link: <https://connect.crbcunninghams.co.uk/>

TO CREATE AN ACCOUNT ON THE APP

1. Tap on the Sign-up option.
2. The first time you register the app you will need to type in your unique **boarding code**. The boarding code has about 13-15 characters and is a mixture of numbers and letters.
3. Enter your email address (pupil email address, not parent's email address).
4. Enter a memorable password of your choosing.
5. Choose a security question.
6. Tap on the Register option to receive an activation email and instructions.
7. Once activated, you can log into the app and start placing orders.
8. Need help <https://connect.crbcunninghams.co.uk/>

ORDERING FOOD IN ADVANCE

The app will allow you to order your food in advance (from 2pm for the next day).

COLLECTION POINTS

There will be two different collections points to pick up pre-ordered food.

- S1-S3 can pick up food from Loretta at the window in the main canteen.
- S4-S6 can pick up food from The Hub next to the Forum.
