Dear Parent / Carer,

Easter School 2024

As we work our way through another very busy term, it has been excellent to see our young people working hard and completing coursework. They deserve to be congratulated for their efforts and conduct. To continue to support them we are offering an Easter school programme.

Classes will run on the 2nd, 3rd, 4th and 5th of the first week of the holidays and 8th, 9th, 10th and 11th during the second week. Easter school will operate in two **three-hour** sessions, taking place in the morning and afternoon. The first session will start at 9am and run till 12pm, with the second session running from 12.30pm till 3.30pm. During these sessions, at the teacher's discretion, pupils will be allowed a break. **It is important to emphasise that when pupils are not attending a session, we have no provision for them in school therefore, they should not be inside the school building.**

Attached with this letter is the list of subjects on offer each day. There is no cost for this year's Easter school but note *that* we have limited spaces and cannot ensure that pupils will be able to access all the subjects they wish to attend.

Pupils should click on the link below which will take them to an online booking form where they should select the subjects they wish to attend. They should only select a subject once and if that day and class is **full**, they should be prepared to book the subject on a different day. The booking form will open **Wednesday the 6th of March at 5pm and will close at 12am Wednesday 13th of March**. Pupils will be made aware through their year group Team's page if they have been successful in gaining a place in the different classes.

Tue 2 Apr 9:00 AM - 12:00 PM
St Ninian's High School, G46 6UG

When you click on the link above you will be taken to the page shown opposite which will have a list of subjects. They are in order of the day they take place, the time they take place and alphabetically.

It is important that you check the time and date when booking classes to ensure you that you don't book two classes taking place at the same time.

St Ninian's High School Easter School

If there is a specific subject, you wish your child to attend you can use the search bar at the top which will help filter the classes available.

St Ninian's High School, G46 6UG

I would ask all pupils and parents to appreciate that the school will be operating with a lighter staffing commitment than usual and it is therefore essential that all pupils demonstrate excellent conduct at all times as they move through the school. If your child is unwell and cannot attend class during Easter school, please follow normal procedures and contact the school office in the morning. Pupils do not need to attend in school uniform.

Kind regards

Jonathan Cumming
Depute Head Teacher
