Parent Request for Information

St Thomas' Primary very much values the parents in our school who continually make positive contributions, in many different ways, to benefit the school and our pupils.

To further develop parental involvement in the life of our school, we are currently collating a database of parents' and/ or grandparents' skills, talents, hobbies and jobs/ careers.

We are planning several events throughout the school year, for example a World of Work Week, to raise awareness of 'work place' and the variety of jobs and occupations there are, as well as planned opportunities for parents to share their skills, hobbies or talents with our pupils. This is to raise children's aspirations, as well as their hobbies or interests. Once the information is collated, we hope to contact you at a later date, when you will be invited to share your knowledge or expertise with the children, if you are happy to do this and the time is suitable.

We are very grateful for your help in providing this information. Please do not hesitate to contact me if you have any further questions or queries.

Kind regards,

Claudia Raso
Principal Teacher

Please complete and return the form to school.

Name _____ **Contact no.** _____ **e-mail** _____

Occupation/ Job you would be willing to share: _____

Skills / Talents you would be willing to share: _____

Hobbies you would be willing to share _____

Please tick the boxes which you would be happy to share with a class or small group.

My occupation/ job ☐ **My skill/ talent** ☐ **My hobby** ☐
