C/O Nicola McNab – Primary 3
St Thomas' Primary School
Broadlie Road
Neilston
Glasgow
G78 3ET

Dear Ms McNab and the children of Primary 3 – St Thomas' Primary School,

I am writing to thank you for your donation of £25.60 to the SEA LIFE Trust which the children raised through a movie afternoon. It is wonderful that you have chosen to support our charity with this donation, thank you so much. I hope everyone had fun!

The SEA LIFE Trust believes in a world where our seas are healthy, properly protected and full of diverse life! We are dedicated to protecting the world's oceans and the amazing marine wildlife that lives within them. Thanks to the support of fantastic fundraisers like you, we are able to support projects that help to protect turtles, whales, dolphins, sharks and other amazing marine life across the world.

This year, the SEA LIFE Trust is focusing on protecting sea turtles. These amazing animals have been swimming in our oceans for millions of years, but all 7 species are endangered as a result of plastic pollution in our oceans and accidental capture in fishing nets. The SEA LIFE Trust will be funding projects that help to reduce plastic pollution and accidental capture of turtles in nets. One of the projects we're already funding off the coast of Peru could save the lives of over 1,000 turtles on its own!

By supporting the SEA LIFE Trust, St Thomas' Primary School is helping to protect our oceans and the amazing creatures in them. I have included a certificate as a way of saying a big thank you and really well done to all the children!

Thank you again for your donation and support, it is truly appreciated.

Best wishes,

Beccy Briley
