Dear Parent/Carer,

Transition to School – (Primary 1 August 2018)

We will be hosting a 'Transition to School' discussion evening within Madras Family Centre on **Thursday 8th March at 6.30 pm**. If your child is due to start primary school (any of our three feeder primaries) then we would like to welcome you to join our discussion about what you feel matters most to your child in the transition to school. This will be an informal chat / discussion with representatives from Neilston, St Thomas' and Uplawmoor primaries about how best we can support you and your child as they begin their journey towards primary 1.

From these conversations we will be better placed to plan transition events to meet the needs of your children and plan a smooth transition from nursery to school. Tea, coffee and cakes will be provided and it will allow you the opportunity to discuss the transition to school with parents, early years and school staff.

We look forward to seeing all of our pre school families there.

Yours sincerely

Mr Gerard Curley

Head Teacher

Neilston Primary School & Madras Family Centre
