SCES has established a group for parents from across the Dioceses in Scotland to promote the active involvement of parents in their children's education in faith. A number of resources have been developed to support parents in their family settings and to assist the work of Parent Councils in schools.

The **Parental Involvement Working Group** (PIWG) has organised a number of 'Gatherings for Catholic Parents' to help parents contribute to the developments in Catholic schools.

At this gathering, which is open to all parents with children in Catholic schools, there will be the chance to meet each other, talk about the matters that are important to you and look at ways to help your children's school develop ideas and activities that reflect the Catholic Mission of the school.
