## Breakfast Clubs

Dear Parent

You will be aware the Breakfast Club provided by East Renfrewshire Council will cease in your child's school from Thursday 31 March. **There will be no service on Friday 1 April.**

Bishopton Out of School Care have approached the department and are keen to provide a breakfast club service from Monday 18 April 2016. We are working closely with this company and would hope that they would have a service in place on this date as planned.

In order to plan appropriately Bishopton Out of School Care are seeking expressions of interest. Please complete the attached booking form and return to your child's school by Monday 7 March.

Bishopton Out of School Care will write to all parents on Friday 1 April to confirm if a service is available.

Kind regards

Rosamund Rodriguez  
Quality Improvement Officer
