Tuesday June 27	School closes	1.00pm

Lunch Payments

Current legislation means that all pupils in P1-3 are entitled to a free school meal. Unless in receipt of a free meal entitlement, our Primary 4-7 pupils are required to purchase a school meal at a cost of £2.00.

P7 leavers should ensure that all money in their account is spent by June 27 as any balance cannot be transferred to high school accounts. I would be grateful if parents and carers could arrange to settle any outstanding balance before June 27.

Allergies

We have children within the school recently identified with a sesame allergy. I would be extremely grateful if you could ensure the contents of lunch boxes and snacks are, where possible, sesame free. In addition, I would like to thank all parents and carers for their current efforts in ensuring we remain a nut-free school.

Head Lice

Please see the following link to NHS guidance on treating head lice. The most effective way of preventing the spread of head lice on a long term basis is regular wet combing with a fine-tooth comb.
