Dear Parent/Carer

Sponsored Active Day

The money kept pouring in last week and our children and families have now raised an unbelievable £1,600 to boost our school fund. I cannot thank you enough for your generosity- this is an amazing sum of money to be raised within a school our size and will greatly benefit our children. Our school's motto is 'Nurturing Growth in Our Community' and our Sponsored Active Day has really highlighted the extent to which we are truly a 'community school'.

Diabetes UK Go Blue Day- Tuesday November 14

As previously mentioned, tomorrow is Diabetes UK's Go Blue Day. Children have been invited to add something blue to their uniform to show their support. Other than their blue item (tie, ribbons, socks, shoes, hair etc.) normal uniform should be worn- no jeans, please. If they wish, they will be able to make a donation to Diabetes UK and/ or buy a special Go Blue wrist band at a cost of 50p.

World of Work (WOW) Week- Dress for the Future Day

Monday 20 November sees the start of World of Work Week in the school and ELCC. The pupils will be taking part in a range of activities including career visits, writing CVs, responding to job adverts and job-shadowing members of staff.

This culminates on Friday 24 November with our Dress for the Future Day. Pupils are invited to dress up according to a job role they would like to have in the future; lawyer, surgeon, plumber, gardener, police officer, vlogger- the world is their oyster! If they wish, children should come to school dressed for their future role and we will be having a Look to the Future Parade during the course of the day.

Yours sincerely

Alasdair McDonald
