Dear Parent

Halal Menu

Last year several forums were held to collect views of primary pupils and parents about school food and menus. Outcomes developed from the findings have resulted in a successful pilot scheme offering halal options mirroring the existing menu and as a result the provision is now being offered to additional schools for pupils to access.

To facilitate this option it is possible to utilise the cashless catering system to allow your child to pick a halal option from the menu daily.

At present the classroom smart board system offers the school lunch choices of food from the regular menu. Your child opens his/her account and presses their choice; this information is electronically passed to the kitchen and your child receives a band denoting their choice prior to lunch time. Any personal information e.g. allergens, medical diets or special diets are highlighted at kitchen level for an individual child and adjustments can be made accordingly. Before lunch each child is issued a coloured band dependant on their choice and this allows the catering staff to serve the appropriate lunch to all pupils.

It is possible to replicate many of the menu items with a halal option, e.g. lasagne would have lamb (halal) mince in the recipe replacing the beef mince from the regular menu. This would allow the catering staff to ensure your child would receive the appropriate meal of their choice daily.

To safeguard these choices each child wishing to participate in this option should be registered by their parent or guardian by returning the attached pro-forma returning it to school by the 30th May 2018

School will acknowledge receipt of your registration, however parents must explain to their child that they have been registered and they will always be in receipt of a green band to

Cultural Diet Meals Request Form

Date:	
Pupils Name:	
Date of Birth:	
School:	
Details of request:	

East Renfrewshire Commitment:

- Halal 3 week menu cycle will be available to all pupils on registration
- All Halal meat provided will have Halal certification and will be displayed in the school kitchen
- Contamination will be avoided by ensuring all meat products are either cooked on dedicated blue dishes or disposable foil trays. All Halal meats will be served using dedicated blue serving utensils.
- Pupils will select lunch as normal in the classroom however they will receive a green lunch band indicating the Halal option rather than the relevant coloured meal band.
- Occasionally the menu and classroom ordering system may state Halal alternative this is due to the original meat being an unsuitable option. The menu will state what the alternative is however the classroom system will only state Halal alternative.
