Dear Nursery Parent/Carer

Please find attached your child's invitation to the rearranged Nursery Graduation on Monday 16<sup>th</sup> August 2021. We have also posted a copy to your home address. We really hope your child can make it along on the day, as we have been unable to hold the event as planned this week because of the self-isolation. We would love for the pre-school children to have one last opportunity to come into nursery and see their friends, and for the staff to have a proper chance to say goodbye.

Monday 16<sup>th</sup> August is an in-service day so the nursery will not be open to any other children on that day. Our pre-school children will have a chance to play with their friends and will be presented with their leavers' certificate and school tie for Primary 1. At the moment, we do not know what the restrictions will be in August around access for parents and carers, but we will confirm this nearer the time. At this point, it looks unlikely that you will be able to attend the graduation event with your child.

You may already be aware that Miss Lockett is leaving us at the end of this week as well. Miss Lockett is moving on to a new job at Glen Family Centre, and we wish her every success in her new post. We are also inviting Miss Lockett back on 16<sup>th</sup> August so we can give her the send-off she deserves. We are all going to miss her but she is not moving very far and I know she will keep in touch and let us know how she is doing.

I am very sorry that the nursery year has ended in this way, and I would like to take this opportunity to thank you for your continued support this session, and to wish you a great summer when it comes. Please keep an eye on your emails over the next couple of days for some farewell messages from the staff.

Kind regards

Mrs Miller
