PARENT COUNCIL

Why should I join my parent council?

Children work better when parents are an active part of school life.

Working together, all stakeholders can contribute to improve the school.

Working with school management you can ensure all parents' voices are heard

Parents are legally entitled to be represented and involved within school, Scottish School (Parental Involvement) Act, 2006 and have in turn a responsibility to make sure they have a Parent Council in place.

We meet at various times throughout the school year, usually 7.00pm on a weekday. Meetings are currently held on Zoom and details are published on the school website and newsletters.

We also send representatives of the PC to special events such as school cluster meetings and East Renfrewshire's Equality Forum.

Keep up to date on what is going on around the school and have your say!

Turn over for contact details.
