

WILLIAMWOOD HIGH SCHOOL

S4-S6 Preliminary Examination Timetable 2014

Instructions for Candidates:

1. Check the dates and times of your examinations carefully. Please note that the start and finish times of examinations do not necessarily match the times of the school periods. Check the location of your examinations – not all examinations are held in the Hall.
2. If you think you have 2 examinations at the same time, **see Mrs Raeburn immediately. This must be done in December.**
3. You should arrive **15 minutes before the start** of each examination.
4. Check your seat number and place a **tick next to your name** to register your attendance at the examination. (A list of candidate numbers will also be posted outside the examination room).
5. All students must bring any equipment necessary for the examination – pens, pencils, rulers, calculators etc
6. Bags, coats etc must be left in the examination cloakroom so **do not bring valuable items.**
7. **No mobile phones are allowed into any examination room. All mobile phones should be left at home or in your locker when you have an examination. There is no secure storage available.**

Prelim examinations 2014 - Important information for pupils.

This timetable includes specific instructions relating to examinations. It will be available on the school website. The following are general arrangements which will ensure the examinations run smoothly. Please read them carefully.

1. The majority of examinations will be held in the hall, conference room or in the contemplation room. Classrooms will not be used except in the case of modern languages and certain practical subjects. A notice will be placed near the school entrance detailing the location of the examinations. Please check this notice board when you arrive.
2. External invigilators will be supervising the examinations. These invigilators will also supervise the final examinations in May. Your behaviour in the examination rooms must be exemplary, otherwise a member of the senior management team will be informed and you will be asked to leave the room and your paper will not be valid.
3. **Morning examinations begin at 9.00am.** You should be in school on time at 8.40am and then report directly to the appropriate examination room at least 15 minutes before the start. You will not, therefore, be expected to report to your period 1 class. **Afternoon examinations begin at 1.00pm.**
4. If your examination finishes at the end of a period you will be allowed to sit in the Street for 15 minutes before returning to class. If your exam finishes at any other time, you should remain in *The Street* until the end of the period. You will then report to your next period class.

When in class

5. When in class, you will be purposefully engaged in work for the subject concerned. You will **not** be engaged in private study for examinations in other subjects.
6. During the course of the prelim examinations you will **not** be issued with homework.
