27 November 2013

Dear Parent/Carer

**Information evening for parents of S2 pupils
7.00pm on Thursday 5 December 2013**

From the Calendar For Parents 2013/14, which is posted on the school website, you will know that I have arranged an information evening for parents of pupils in S2 on Thursday 5 December. The purpose of this information evening, which will take place from 7.00pm until 8.00pm in The Street, is to explain the new National 4 and National 5 qualifications which have replaced Intermediate and Standard Grade qualifications.

Later this session, on 30 January 2014, we shall invite you to a second information evening, where you will learn more about course options for S3, visit subject departments and hear directly from teachers.

I am keen that you attend the information evening next Thursday. If you are able to join us, please complete the (attached) tear-off slip and return it to the school office by Tuesday 3 December. I look forward to seeing you.

Yours sincerely

John Fitzpatrick
Headteacher

✂.....
