# ICT and Online Resources to help your child revise.

## S1-S3 STUDY SKILLS EVENING

Below you will find a list of websites and online resources that have proved useful in helping children to study for a variety of subjects.

Across the school, pupils use a wide range of online resources to assist them in their studies. These online resources can be accessed at any time and often allow learners to tailor the difficulty of the material to their own specific needs. A list of online resources used in departments is outlined in this booklet.
