Dear Parent/Carer,

Study Skills – Workshop for Parents 7.00pm to 8.30pm Thursday 1st October 2015

From the school calendar, which is available on the school website, you will know that a study skills workshop for the parents of pupils in S1-3 will take place on Thursday 1st October*.

The aim of this event is to help parents to support their children in preparing for class tests and assessments in the early stages of secondary school. The workshop will focus on simple study techniques which may be of benefit to pupils such as mind mapping, the use of study cards, effective note-taking etc. The workshop also aims to introduce parents to a range of online resources that pupils can use to assist them in their studies.

If you are interested in attending this workshop, please let me know by completing the tear-off slip below my signature and returning it to the school office no later than Thursday 24 September.

Yours faithfully

William Inglis

*Please note that pupils are not expected to attend with their parents.
