Dear Parent/Carer,

**Information Evening for Parents of Pupils in S4
7.00pm on Tuesday 01 March 2016**

Pupils in S4 are about to embark on the S5 options programme. I should like to take this opportunity to remind you that we intend to hold an information evening for parents, the arrangements for which are detailed above.

The purpose of the evening is to introduce you to the options process and to present to you the different subject choices and other opportunities available to pupils in S5. These include programmes of vocational education which East Renfrewshire schools will offer in partnership with local colleges.

The meeting will take place in The Street and will be in the form of a presentation. Following this presentation, there will be an opportunity to speak with members of the school's senior management and meet with East Renfrewshire Council's vocational education co-ordinator, Jillian Davis.

The 2016/17 fifth year options booklet is now available on the school website in the "information" area and the full presentation from the information evening will be available on the website on Wednesday 02 March.

There is no need for your son/daughter to attend this information evening as they will be given the same presentation during the school day. If you plan to attend this event, please complete the tear-off slip below and ask your child to return it to the school office. If you have any further questions, please do not hesitate to contact me.

Yours faithfully,

Claire Raeburn
Depute Headteacher
