Dear Parents/Carers,

WILLIAMWOOD HIGH SCHOOL CAR PARK

As you will be aware, our school car park is exceptionally busy both at the beginning and at the end of the school day. I would ask for your support in ensuring the safety of our pupils and others who use the school car park by noting the following:

- The speed limit within the grounds of the school is 5mph. Please ensure that you adhere to this speed limit at all times.
- There is a drop-off lane on the 'in' side of the car park where you can drop off or collect pupils at the beginning and end of the school day. There is also a bus lane on the 'out' side of the car park. You are welcome to use the bus lane for dropping off pupils in the morning, but you should avoid the bus lane at the end of the school day when it is required for the First Bus services. To avoid congestion, please do not stop to drop off or collect pupils in front of the school building or elsewhere in the car park, except the designated drop-off lanes.

Your support in adhering to these guidelines is much appreciated.

William Inglis
Head Teacher

Our Pupil Council has compiled a short humorous video guide to using the school car park. You can view it on the school website.
