Dear Parent/Carer

EXAM PREPARATION EVENING FOR THE PARENTS OF HIGHER CANDIDATES – TUESDAY 6TH DECEMBER 2016

From discussion with parents, I am aware that many of you are keen to help your children at home with revision and study for examinations. Many parents tell me, however, that they find this increasingly difficult as their children move up through the school and, by the time their children are studying for Highers, parents often feel ‘out of their depth’.

In response to this, I have organised an information evening on Tuesday 6th December 2016 for the parents of pupils studying for Higher examinations this session. The purpose of the evening is to explain to parents exactly what children should be revising for each Higher examination and how best to do this. Following this event, parents should have a better understanding of the content of the Higher examinations and the best way of preparing for them. This should, in turn, allow parents to direct and support their children’s study as effectively as possible. Similar evenings have been organised for the past three years and parents have found them particularly useful.

The evening will begin at 7pm with an initial meeting in The Street. This will be followed by a series of visits to subject departments, each one lasting 20 minutes, at which a subject specialist will speak about the best way to revise for the Higher examination in that subject. Parents are able to attend up to **five** sessions. Please note that this event is aimed at parents and it is not my intention that pupils attend.

In order to organise these sessions as efficiently as possible, I need to know the number of parents attending and the departments you wish to visit. I should, therefore, be grateful if you would complete the form overleaf and ask your child to return it to the school office by Friday 18th November at the latest.

Please do not hesitate to contact me if you have any questions regarding the arrangements for this event.

Yours faithfully

Mrs K Sinclair
Depute Headteacher
