

Williamwood High School PUPIL NEWSLETTER

Monday 16 January 2017

**PLEASE ENSURE THAT THIS NEWSLETTER IS READ OUT AS
SOON AS POSSIBLE TO YOUR NEXT CLASS**

MODEL UN

The club has started back up again in ICT 10 at 12.30 on Wednesdays. All S4-S6 pupils are welcome to come along to debate current affairs.

Mr Moore

DEBATE CLUB

Monday lunchtimes in room 2.15 with Mr Ramanujam for all S1-S3 pupils – bring your lunch. Debates start at 12.30 sharp. Any newcomers welcome!

Mr Moore

RIGHTS RESPECTING SCHOOL

UNICEF has awarded the school a 'Recognition of Commitment' and now we are working towards a Level 1 award. The group will meet on Tuesday 17 at lunchtime in room 2.4 to discuss how we plan to move forward this year.

Mr Moore

MALAWI 2017

The group going to Malawi this year should meet in room 2.4 on Thursday 19 January at lunchtime for a team building activity and to discuss arrangements for the race night in February.

Mr Moore

S1 & S2 BOYS FOOTBALL

Any boys in the S1 or S2 football teams who have yet to pay their football card money should do so as soon as possible to any of their coaches.

Mr Moore

SCOTTISH SCHOOLS SWIMMING

Any pupils who qualified for the Scottish Schools Swimming Championships please see Mr Maclachlan or Mr Thomson in the PE department.

Mr Maclachlan

S1-3 HOCKEY FESTIVALS

Any S1-3 pupils who want to represent the school in the upcoming East Renfrewshire Hockey Festivals please see Mr Maclachlan or Mr Thomson in the PE department.

Mr Maclachlan

DANCE CLUB

Dance club will be back on as of Thursday 19 January in the dance studio. All are welcome to come along. We will be working towards the East Renfrewshire Dance Championships.

Miss McCreddie

S1-S3 GIRLS: STEM IN THE BUILT ENVIRONMENT EVENT

S1-S3 girls are invited to attend a STEM in the Built Environment event at Williamwood High School on Friday 17 February 2017.

The aim of the event is to allow girls to consider whether their skills might be suited to a career in areas such as construction, property, technology and engineering. They will hear from leading business women on their career journey within these sectors and take part in a structured networking session with industry representatives from companies including BAM, Taylor Wimpey and Miller Homes. In addition, pupils will be asked to participate in a CITB approved interactive workshop session.

Miss Mortimer

The event is suited to girls with an interest in STEM subjects including maths, business, technology, geography. It is recognised within these sectors that there is a gender imbalance and industry leaders are keen to address this by expanding young people's understanding of the range of opportunities in the sectors beyond the traditional stereotype.

If you are interested in attending this event, please see Miss. Mortimer as soon as possible to apply as places are limited.
