Scottish Cup Run Continues

With another hard fought win after penalties, this time against Grange Academy, Williamwood progress into the last 16 of the cup to set up an away tie against Lourdes.

The S1 boys bounced back from a disappointing derby defeat in the best way possible, by beating yet another SFA performance school, after the teams played out a 1-1 draw in horrible conditions. Williamwood were up against it in the first half with the wind and rain driving the Ayrshire side forward. However, a resilient back line and tremendous team attitude ensured that it remained goalless at half time.

The home side roared into action after the break when lone striker Anton Brotherton sprung the offside trap and remained cool under pressure to slot the ball under the helpless goalie. Williamwood were by far the better team in the second half, but were pegged back with a swift Grange counter attack and normal time petered out with honours even.

Despite a floodlight failure, six freezing volunteers stood up to take penalties. Adam Wylie guessed correctly to save the sudden death Grange effort and it was left to Nathan Tallan to send the home side into raptures as the Clarkston boys march on in the SFA's most prestigious tournament.

Man of the Match: Mark Chalmers
