

Third Year Examination Timetable	Monday							Tuesday							Wednesday						Thursday							Friday																																																																																																																																																																																																																																																																																																							
	1	2	3	4	5	6	7	1	2	3	4	5	6	7	1	2	3	4	5	6	1	2	3	4	5	6	1	2	3	4	5	6																																																																																																																																																																																																																																																																																																			
Week 1 Monday 16th April - Friday 20th April 2018	A (ENG)				C			H		G					D		F				F						E					A (ENG)																																																																																																																																																																																																																																																																																																			
Week 2 Monday 23rd April - Friday 27th April 2018		D			C					B (MAT)		PE			H						G				E					B (MAT)																																																																																																																																																																																																																																																																																																					
Instructions	A							B							C						D							E																																																																																																																																																																																																																																																																																																							
The examinations will take place between Tuesday 18th April and Tuesday 2nd May inclusive.	A							B							C						D							E																																																																																																																																																																																																																																																																																																							
The exact time of your exam is determined by the letter on the timetable above. For example on Wednesday period 5 of the first week the letter "F" appears. If you look at column "F" you will see the subjects at this time are Biology, Chemistry, Physics, Business Management, Graphic Communication and Computing. Whichever subject you study on a Wednesday period 5 will be the exam you sit. This is the same for all the exams over the exam period. Your individual teachers will help you to confirm exam times and you should note these in your planner. If you have any problems see Mr Fisher or Mrs Sinclair. Please Note : Fashion and Textile practical exams will take place at a different time. Your teacher will confirm this with you.
