Dear Parent /Carer

## S1 PARENTS' INFORMATION EVENING

As you will be aware from the calendar of school events, we are holding an information evening for the parents of our S1 pupils on Tuesday 10<sup>th</sup> September. This event will begin at 7.00pm and will last approximately one and a half hours.

The object of the evening is not to report on your child's progress, but rather to give you the chance to find out more about the work that S1 pupils have been doing since starting secondary school and will continue to do during the remainder of the session and beyond. The evening will begin with a brief introduction in The Street. Thereafter, you will have the opportunity to visit the various departments of the school where you will be able to see examples of pupil work and course materials, speak with staff members, observe some pupils at work and even join in with some of the lessons, should you wish to do so. In addition, there will also be some short sessions offered on study skills, modern languages and literacy. Pupil support teachers will also be available to meet with parents.

A number of S1 pupils will be helping with the evening in various ways. If your child is not already involved in the evening, it would be helpful if he or she could accompany you as a guide. All pupils who attend are expected to wear full school uniform.

I hope that you will find the evening informative and enjoyable and I look forward to seeing you there.

Yours faithfully
