Dear Parent/Carer

**Options Information Evening for Parents of S2 Pupils  
7.00pm until 8.30pm on Thursday 23 January 2020**

My purpose in writing is to remind you that we intend to hold an options information evening for parents from 7.00pm until 8.30pm on Thursday 23 January 2020. This information evening will help you to support your child through an important transition in his/her school career. Its main purpose is to introduce you to the options process and to present to you the different subject choices available to your child. Although not absolutely essential, it would be helpful for your child to accompany you to the event.

The evening will commence in The Street with a brief presentation about the options programme. To ensure that you have as much information as possible, you will then have the opportunity to visit our subject departments and speak to teachers about the subjects that they offer. In some classrooms you will be given a demonstration of the type of work that the particular subject entails or you may have the chance to take part in a lesson.

Following this event, you may wish to refer to the very detailed S3 options section in the information area of the school website. This will also contain any presentations used during the information evening.

Please click the link below if you plan to attend this event:

If you have any questions, please do not hesitate to contact me. In the meantime, I look forward to seeing you on 23 January.

Yours faithfully

Mrs C Raeburn  
Depute Headteacher
