Week 2 Monday 20th April - Friday 24th April 2020		D			C					B (MAT)		E	PE		A (ENG)							B (MAT)					C		PE			H									
Instructions	A							B							C						D							E													
The examinations will take place between Monday 30th March and Friday 24th April inclusive.																																									
The exact time of your exam is determined by the letter on the timetable above. For example on Wednesday period 3 of the first week the letter "D" appears. If you look at column "D" you will see the subjects at this time are French, geography, history and modern studies. Whichever subject you study on a Wednesday period 3 will be the exam you sit. This is the same for all the exams over the exam period. <u>Your individual teachers will help you to confirm exam times</u> and you should note these in your planner. If you have any problems see Mr Fisher . Please Note : Fashion and Textile and practical cookery exams will take place at a different time. Your teacher will confirm this with you. All PE students will sit their exam at the same time. (Friday 24th April P.2)	English							Mathematics							French	F Reid						French	J Boulton- Jones						Biology	J McBride
