Property Name: Williamwood High School			
Equipment/Plant: Statutory compliance and maintenance records sheet available from PATS			
PPE – No additional requirements for the covid risk.			

Number	Location	List of control methods that must be followed to protect your health and safety.	Concerns/comments
1.	Entrance/exits – traffic routes	<ul style="list-style-type: none"> • Main entrance will be used initially, and main and 2 side entrances used by pupils to spread the numbers. • Staff advised of need to maintain social distancing • No social distancing for pupils 	

2.	Entrance/exits - signage	<ul style="list-style-type: none"> • Signage posted indicating social distancing, hand hygiene and risk assessment information. • 2m distancing markers in place from sanitising station outwards at main 	
3.	Entrance/exits-entry procedures	<ul style="list-style-type: none"> • Sanitising station in place at main entrance. Limited hand washing facilities available within the building for pupils • Sign in will be completed by office staff or by staff using own pens. • Cleaning arrangements in place for regular cleaning of reception area and equipment. • Regular cleaning of entry intercom system and exit buttons in place • Staff to be advised to enter at a time that keeps them clear of pupil entry time • Janitorial staff hold open the external doors at front of school, P.E and Maths at start of each day • Janitorial staff to hold open the external doors at the foot of stair 2 at the end of the school day to ensure speedy egress and avoid overcrowding 	<p>Comment – advise staff that sanitiser should be used only on coming into the building or where they are unable to access hand washing facilities. Encourage pupils to wash hands rather than frequent use of sanitiser, wherever possible</p>
4.	Reception	<ul style="list-style-type: none"> • Access restricted via intercom system. • Reception desk has windows in place • Office staff stand behind a marked line to provide 2m distance from person at reception • A table will be placed in front of reception windows to prevent anyone coming too close • Desks within the office have been arranged to ensure 2m physical distance is adhered to. 	<p>Office staff should remove papers and personal items from top of desk to avoid their becoming contaminated. Enclose these in desk drawers or boxes until risk of corona virus has receded.</p>
5.	Access to toilet facilities	<ul style="list-style-type: none"> • Access to toilets managed to allow social distancing – where possible, one person use at a time. • Signage posted in toilets advising of hand washing methodology • A monitor will be posted to control toilet access 	
6.	Access to kitchen facilities/ staff room and pupils dining areas	<ul style="list-style-type: none"> • Dining areas available for pupils to use • Individual dining hatches will be available for year groups • New pre-order food app due to be available shortly. 2 dedicated App pick-up points will be available once app is operational • Maximum number of staff permitted in staff rooms at any one time identified and signage displayed on entrance door. 	

		<ul style="list-style-type: none"> • Staff advised to clean down handles of kitchen facilities touched after use • Staff advised to bring packed lunches and remove utensils for cleaning at home. If cleaning utensils on site all to be washed, dried and put away immediately after use. No sharing of utensils amongst staff. • Staff advised not to leave food items on site, all should be brought daily and removed daily 	
7.	Pedestrian traffic routes in corridors	<ul style="list-style-type: none"> • Stairs have one way system (up or down only) • Keep left system in place and arrows on floor and demarcation lines in place • Advise staff of need to maintain 2m social distancing in corridors, although passing another is acceptable as long as this is done without delay • Regular Head Teacher reminders provided by tannoy and email 	
8.	Classrooms and other room arrangements	<ul style="list-style-type: none"> • No social distancing for pupils in classes • Pupils use same desk on each visit, where possible • Suitable cleaning products available for cleaning classroom equipment available • Rooms cleared of all unnecessary items to allow for cleaning needs • Reprographics room to be marked with number of people permitted within at one time • Access to main office to be restricted – no entry for any other staff, all requests for printing etc to be made at window, by email or by phone • Conference room will be laid out in different formats during the school year, always at 2m social distancing – room has to be flexible to allow differing groups to utilise 	<p>Main office – Max 7 staff Art Base - Max 4 staff Tech & Design Base – Max 4 staff Modern Languages - Max 6 staff Maths Base - Max 13 staff BICT Base – Max 7 staff Conference Room - Max 16 staff F&TT - Max 4 staff Performance Art Base - Max 4 staff Pupil Support Base - Max 8 staff PSA Base - Max 2 staff Social Subject Base - Max 8 staff Science Base - Max 11 staff PE Base - Max 8 staff SMT office - Max 7 staff</p>
9.	Building ventilation	<ul style="list-style-type: none"> • Arrangements in place for opening of some windows at start of day and after they leave • Staff advised to leave windows as found • As per SG guidance and BAM instructions due to type of air conditioning within school system is shut off 	
10.	Public access	<ul style="list-style-type: none"> • Parents informed to drop children off and if this is by car to stay in the car 	

		<ul style="list-style-type: none"> • Where parent access is required, this arranged by appointment and only one person per child family wherever possible • Where items being dropped off for children, items to be left outside and office advised by use of intercom 	
11.	Contractor access	<ul style="list-style-type: none"> • Contractor access by arrangement only • Record of presence in fire register and sign in made by BAM staff on behalf of contractor • Contractors to adhere to entry and social distancing needs • Contractor works arranged out of hours where possible 	
12.	Fire safety and evacuation	<ul style="list-style-type: none"> • Fire evacuation procedure in place and staff briefed on requirements of evacuation • Fire system maintenance checks in place as per fire register requirements • Fire doors kept closed unless appropriate devices for holding open are in place • Staff reminded to maintain social distancing at muster point 	
13.	Deliveries	<ul style="list-style-type: none"> • Separate delivery door available and used • Hand sanitising provision located at delivery door • Office staff will advise of location via intercom system • Dedicated member of staff for receipt of deliveries • Delivered goods located to ensure no blocking of escape routes • Door for delivery arrival signed on outside 	
14.	First Aid	<ul style="list-style-type: none"> • First Aid arrangements in place • PPE Provided • Seated area outside reception can be used for minor bumps and scrapes when required • Signage posted of what to do if a member of staff or a pupil becomes symptomatic while present • Interview rooms identified for use if a member of staff or a pupil becomes symptomatic 	
15.	Cleaning arrangements	<ul style="list-style-type: none"> • Cleaning arrangements put in place to enhance previous provision • Cleaning staff provided with information on points that require more frequent cleaning i.e. door handles, window handles, entrance intercom, 	

		exit release buttons, printers/copiers, electronic sign in, toilets and kitchen equipment such as kettle, fridge and microwave oven handles	
16.	Outdoor activity areas and equipment	<ul style="list-style-type: none"> • Encourage use of outdoor space • Enclosed areas on school grounds – equipment cleaned down between user groups • Of- site activity – hand washing for pupils and staff will take place on return to the building if off site activity takes place 	Comment – sanitiser has little effect if hands are physically contaminated, therefore no requirement to take off site for this activity
