

NHS TEST AND PROTECT – PUPIL CONSENT FORM for COVID 19 Testing

This COVID 19 testing programme is being led by the Department for Health and Social Care and the Scottish Government to provide asymptomatic testing in schools for staff and senior pupils.

Taking part in testing is voluntary. There is no expectation or obligation to participate. Nobody should be required to undergo testing without consent, and nobody should be excluded from school if they do not wish to test.

Please read the following sections, complete the questions below and return this form to the school when you collect your testing kit.

I have had the opportunity to consider the information provided to me by the school about this testing programme in the letter dated 12th February 2021. I have had the opportunity to ask any questions about the programme and, if I have, I have had these answered satisfactorily.

I have discussed the testing with my child and my child is happy to participate. If on the day of testing they do not wish to take part, then they will not be made to do so.

1. I consent to my child participating in this testing programme.
2. I consent to my child’s data being held in accordance with the terms in the data privacy notice.
3. I agree that if my child’s test results are confirmed to be positive, I will inform the school to support contact tracing.
4. I consent and agree to accurately recording all of my child’s test results at www.gov.uk/report-covid19-result or by calling 0300 303 2713.
