Article 8 is about your name, nationality and family relationships. It says the government shouldn't interfere with the right to any of these.

Mr Boyle

CV/Application Form Workshop

Every Tuesday lunchtime, in the Art & Design ICT suite.
Careers Advisors and Miss Johnstone will be there to help you.

We can help with creating CVs, filling out application forms for jobs, college or university, or even look for information relating to careers on your behalf.

These sessions are drop-in so you do not need to sign up.

You also do not need to stay for the entirety of lunch so if you have other commitments and just want a quick, informal chat then that is okay too.
