PRELIMINARY EXAMINATION TIMETABLE

To all National 5, Higher and Advanced Higher candidates,

Please find below this year's preliminary examination timetable. You should check the dates and times of all of your examinations and read the following points carefully:

1. If you think you have 2 examinations at the same time, please see Mr Harrison immediately.
2. You should arrive 15 minutes before the start of each examination. You will check your seat number and place a tick next to your name to register your attendance at the examination. A list of candidate numbers will also be posted outside the examination room.
3. You must bring any equipment necessary for the examination including pens, pencils, rulers and calculators. Other personal items including bags and coats must be left in the examination cloakroom therefore you should not bring anything valuable.
4. No mobile devices are allowed into any examination room. All mobile phones should be left at home or in a safe place such as your locker when you have an examination. There is no secure storage available.

It is important that you prepare fully for your prelim exams so that you are able to demonstrate your knowledge, skills and understanding. You should also remember, however, that there is lots of support available to you; you do not have to do this on your own. If you would like advice on how best to prepare for prelims or you have any worries or concerns please see your pupil support teacher who will be able to guide you.
