

WILLIAMWOOD HIGH SCHOOL

S3 EXAMINATION TIMETABLE 2022

To all S3 pupils,

Please find below this year's S3 examination timetable. Your S3 examinations are sat in classrooms at the time at which you would usually attend your class. The timetable is a guide which will indicate to you the days and periods during which assessments can take place.

It is unlikely you will have an assessment at all of the times listed below. Your teachers will confirm with you the exact days on which exams will take place and these will also be set as assignments on Google Classroom.

Please note the following:

1. You must bring any equipment necessary for the examination including pens, pencils, rulers and calculators.
2. No mobile devices (including smart watches) are allowed in S3 examinations. All mobile devices should be switched off and in your bag for the duration of the assessment.

It is important that you prepare fully for your S3 examinations so that you are able to accurately demonstrate your knowledge, skills and understanding. You should also remember, however, that there is lots of support available to you; you do not have to do this on your own. If you would like advice on how best to prepare for assessments or you have any worries or concerns please see your pupil support teacher who will be able to guide you.

Ben Harrison
Depute Headteacher
