

WILLIAMWOOD HIGH SCHOOL
SIN – House Group Pupil Consultation
Group

Rationale

W Group Pupil Voice:

Pupils agreed with rationale and believed it encompassed the meaning of the house system.

House Structure

W Group Pupil Voice:

Pupils thought 4 house groups would be better with 2 pupil support teachers heading each house.

Larger house groups would be more useful as there will be a diverse range of skillsets that the house could use for events and competitions.

Pupils thought that it be better as you could get to know more pupils.

Leadership Structure

W Group Pupil Voice:

Pupils thought it would be good to open leadership opportunities to S4 and S5, not only S6. S6 pupils raised concerns about the opportunities only come up in S6 and they feel pressure to do everything when preferably they should be focussing on academics.

Pupils suggest two captains for each house and one from each caseload.

They thought the idea of house captains would be good as they could gather thoughts of their house and work with head boy/girl to make sure pupil voices are heard.

House Themes

W Group Pupil Voice:

Pupils thought trees was not relatable to pupils at Williamwood but stated that it would look good for outsiders looking in to the school.

Pupils suggested the following ideas:

- Past pupils of Williamwood who are now successful
- Past head boy/girls that have had an impact within the school
- Scottish islands
- Scottish TV shows

Branding/Advertisement

W Group Pupil Voice:

Pupils thought having a colour related to each house group would be the best way to identify the houses.

They did not like the idea of a slogan as it would become confusing.

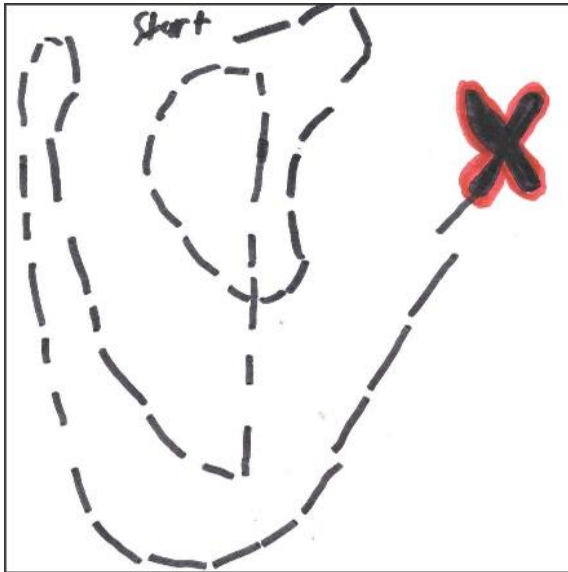

They suggested a competition for the logo – giving pupils a prompt e.g. a colour and getting them to draw a logo surrounding this for their house. Voting system to agree on winner.

Cluster/Transitions

W Group Pupil Voice:

Primary 7 sports day at Williamwood, where pupils will be playing in their house groups. This will allow them to get to know others.

An event to distribute pupils into their houses, have a presentation led by house captains/prefects and then have an activity after (scavenger hunt).

Events

W Group Pupil Voice:

Any event that would allow for competition to gain house points.

Pupils suggested:

- Sports events
- Music competition
- Departments to hold a competition once a year throughout the year
- Fundraising for charity and house

Rewards/Points

W Group Pupil Thoughts:

Preferred the idea of an end of year event as it would be more significant than end of term rewards. They also said having the reward known at the beginning of year so pupils are aware of what they are working to achieve so more motivated.

Suggested activities:

- Paintballing
- Air thrill
- A day out event

A potential offer of 2/3 rewards and pupils can choose so all are happy.
