

# House Group pupil consultation

Group Z - Silver Birch

J Reid, S Smith and R Allan

RESPECT

AMBITION

KINDNESS

# House System Rationale

Pupils agreed and understood the rationale.

# House Structure

There was a mixed response pupils could not decide between 4 or 8 houses.

Pupils suggested that 8 houses would cause less of a rivalry, but there would be more focus from PTPS groups.

Whilst 4 houses means there is less of a skills pool for activities and competitions but there would no confusing from PTPS

# House Structure

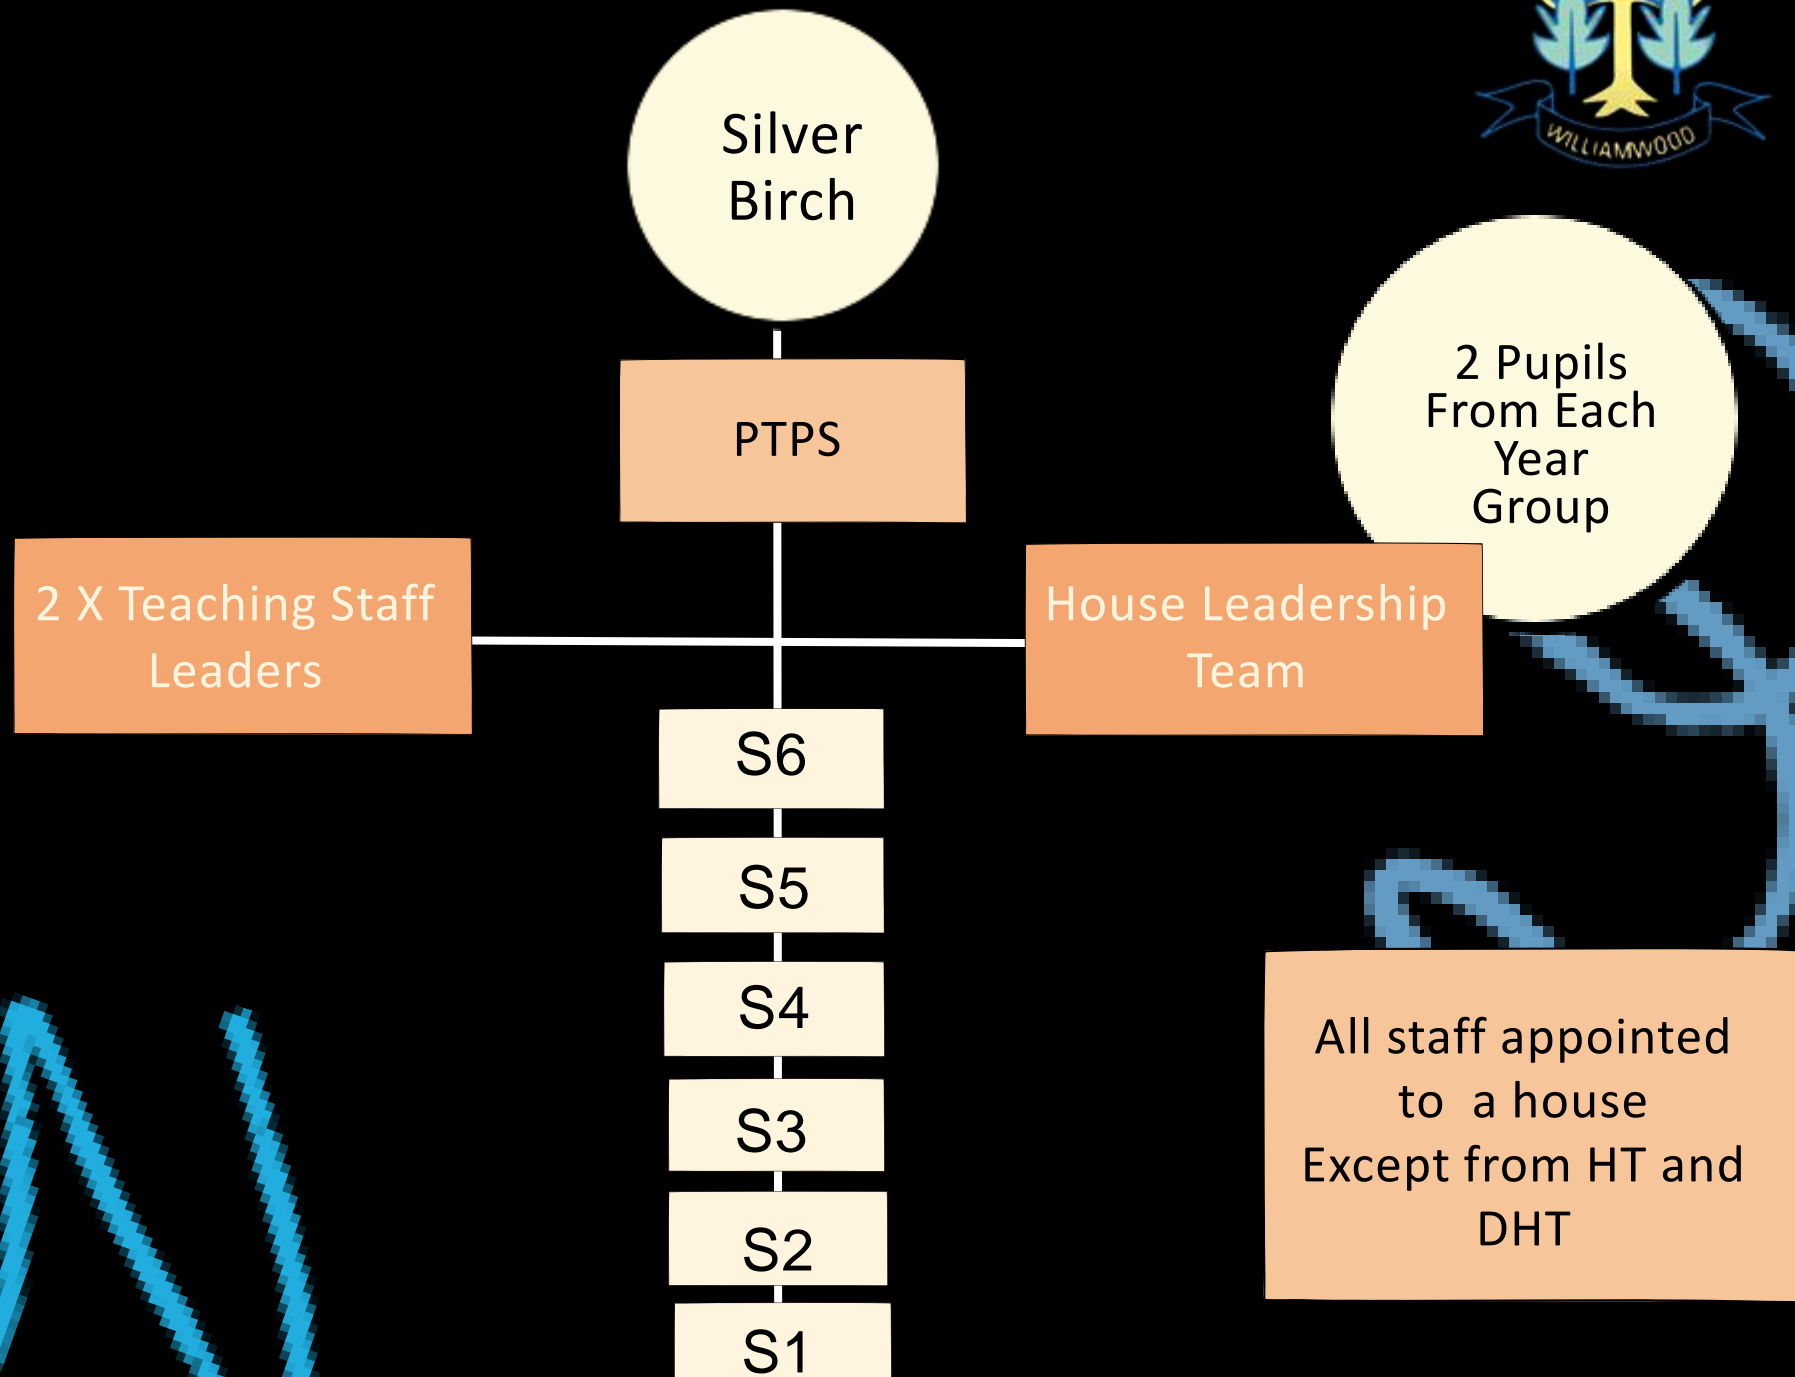

## Twinning

Pupils were happy with having 2 house groups "twin" to make 4 larger houses for activities and competitions.

Pupils feel that this encourages healthy competition between houses and there is a larger group of pupil skills.

# House Structure

# House Themes

Pupils thought that Scottish trees would be the most relatable for Williamwood.

This being due to the school badge and motto

mighty oaks from little acorns grow

## Other Suggestions

rivers, famous Scottish people; national trust areas, streets that lead to the school, mountains, iconic Scottish things (Irn bru, unicorn, haggis)

Difficulty finding 8 relatable groups for some

# House Names

## (CHERRY) BLOSSOM

Silver birch

Willow

Sequoia

Acorn

Pine

Sycamore

Rowan

Ash

Chestnut

**MIGHTY OAKS FROM LITTLE ACORNS GROW**

# Branding

## Colour

Pupils would like each house to be allocated colour to match house name.

Colour's should be visible on blazer pocket and/or tie.  
Pupils did not like idea of tartan associated with

## House Badge

Pupils feel that each house should have its own house logo.

Pupils suggested that we should have large fabric banner with a logo for each house hanging in the street

## Interhouse IDL

Pupils suggested that the first team building/competition should be to design a house logo.

# ADVERTISEMENT

## Pa Announcement

Announcement of house points on PA system every other week- to keep competition alive.

## Designated area

Each house area will be designated a meeting point for house captains and advertisement for activities

## Google Classroom

To advertise any up and coming activities/competitions.

# Advertisement

Pupils feel that visible container's for each house should be located in the street area.

Each container should be a visual representation of the points each house has been given.

## Activity/competition rewards

Pupils feel that there should be activities/competition in all subjects.

**Celebrating all achievements and meeting all pupils strengths.**

To keep the competition healthy all competitors should be awarded competing points.

# House Points

## Behaviour Reward

Pupils feel that there should be points given for positive behavior.

Pupils did not the de -point system for bad behaviour.

## Academic Reward

At the start of each subject the pupil and teacher set a goal. Once this academic goal is achieved then the pupil is awarded points

**Pupils suggested this to celebrate all academic achievements**

## Academic Events

Pupils suggested that there should be something for everyone. Subjects should be asked to put forward activities/competitions.

Bake off, science fayre, art exhibition, can you solve the riddle?, Math competition, quiz/spelling bee, fastest time on the wall, orienteering and sports events/day

All are examples from our pupils.

# Events

## Charity Events

Pupils suggested that each house group should have a chosen charity. Throughout the year the HCT will plan charity events.

## Community Events

Pupils feel that each house group should be awarded for their contribution within the wider community.

Litter picking

Helping local groups

Helping out at local care home

# Point System

Pupils feel that there needs to be a standardized point system so that all points are given fairly. Pupils feel that staff and pupils need to be aware of the standardized system.

# House Cup

Pupils feel that at the end of the year there should be a house trophy cup- the house winners name is engraved.

# Winners Reward

Pupils feel that there should be a big incentive for the winners, and this might increase engagement.

Fun day out  
Dress as you please  
House trips
