## PRELIMINARY EXAMINATION TIMETABLE

To all National 5 candidates,

Please find below the preliminary examination timetable for the November diet. You should check the dates and times of all of your examinations and read the following points carefully:

1. If you think you have 2 examinations at the same time, please see Mr Thomson immediately.
2. You should arrive 15 minutes before the start of each examination. You will register with a teacher outside the main examination hall to confirm your attendance at the examination. A list of candidate numbers and seat numbers will be posted outside the examination room.
3. You must bring any equipment necessary for the examination including pens, pencils, rulers and calculators. Other personal items including bags and coats cannot be brought into the examination hall therefore they should be stored somewhere safe before registering.
4. No mobile devices are allowed into any examination room. All mobile phones should be left at home or in a safe place such as your locker when you have an examination. There is no secure storage available.
5. All candidates must attend examinations in full school uniform.

It is important that you prepare fully for your prelims so that you are able to demonstrate your knowledge, skills and understanding. You should also remember, however, that there is lots of support available to you; you do not have to do this on your own. If you would like advice on how best to prepare for prelims or you have any worries or concerns please see your pupil support teacher who will be able to guide you.
