## PRELIMINARY EXAMINATION TIMETABLE

To all Higher and Advanced Higher candidates,

Please find below the preliminary examination timetable for the January diet. You should check the dates and times of all of your examinations and read the following points carefully:

1. If you think you have 2 examinations at the same time, please see Mr Thomson immediately.
2. You should arrive 15 minutes before the start of each examination. You will register with a teacher outside the main examination hall to confirm your attendance at the examination and issue you with your seat number.
3. Candidates with additional assessment arrangements, including extra time or the use of IT, will be issued details of their exam locations under separate cover. The details will be re-confirmed with candidates when they register 15 minutes before their examination.
4. You must bring any equipment necessary for the examination including pens, pencils, rulers and calculators. Other personal items including bags and coats cannot be brought into the examination hall therefore they should be stored somewhere safe before registering.
5. No mobile devices or smartwatches are allowed into any examination room. All mobile phones and smartwatches should be left at home or in a safe place such as your locker when you have an examination. There is no secure storage available.
6. There is no study leave during the prelim diet therefore pupils should attend classes as normal when they do not have a prelim.
7. Seat numbers will be uploaded to Google Classroom the day before each exam. Please check your seat number and location the night before as this will support the registration process each day.
8. All candidates must attend examinations in full school uniform.

It is important that you prepare fully for your prelims so that you are able to demonstrate your knowledge, skills and understanding. You should also remember, however, that there is lots of support available to you; you do not have to do this on your own. If you would like advice on how best to prepare for prelims or you have any worries or concerns please see your pupil support teacher who will be able to guide you.

Paul Thomson  
Depute Headteacher  
Williamwood High School
