Respect, Ambition & Kindness

- Street Area & Corridors kept clean at all times.
- Toilets allocated to specific year groups.
- Maximize time in class to learn, use the toilets at break & lunch.
- Mobile phones only out in class when the teacher allows you to use them for learning.
- Top floor for H&S reasons is out of bounds to allow technicians to set up experiments and move chemicals around.

Street Area

FRONT DOOR

Uniform

Why do we wear it?

- Indicates a sense of pride in the school and helps us form positive attitudes about our school and our work.
- Promotes our school identity in the local community, with our neighbours, local businesses and industry.
- Protects you and your friends from the harmful effects of social distinction and competitive dressing.
- Assists all staff in our duty of supervising you to keep you all safe and any unwelcome visitors out of our school.
- Dressing for Excellence, an ERC standard to adhere to at all times.

Uniform

Our standards and expectations at Williamwood are underpinned through dressing for excellence.

We look for full school uniform from all at Williamwood:

- School blazer
- School tie
- Black trousers or knee length skirt
- White shirt
- Black cardigan or V-neck jumper (no hoodies)
- Black dress shoes (not trainers)

School uniform recycling program details will be available on our new school website.

PE Uniform

Our standards and expectations at Williamwood are underpinned through dressing for excellence.

- Plain, sky blue polo/t-shirt
- Navy or black shorts
- Appropriate trainers (clean for indoor use)

Attendance and Timekeeping

- Excellent attendance and timekeeping are key to success.
- You can only progress in your education if you attend school and have excellent timekeeping.
- To support you all to achieve your best, your attendance should be no less than 95% all year.
- Parental meetings and 'giving back time' will be put in place issues are ongoing.
- Any appointments should be made for a time outside of the school day unless they cannot be changed e.g. hospital appointments. Parents/Carers must give prior notice.

Attendance & Timekeeping

Each of the following attendance rates may appear high in terms of percentage if we were to think of this as a score for an assessment for example. However, in terms of attendance, it is very different. School uniform recycling program details will be available on our new school website.

Attendance & Timekeeping

 **ENGAGEMENT**
is as important
as **ATTENDANCE** 

PARTNERSHIP
Schools, families, partners,
third-sector; to ensure
support and effective
communication and secure
presence.

Children and young people's progress, attainment and achievement can be impacted by any absence. Evidence suggests that attendance that falls below 90% impacts negatively on progress. The higher the absence, the greater the impact on attainment
