

Modern Languages Department

Broad General Education (BGE)

Information Booklet 2017

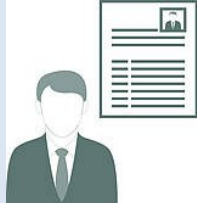

Woodfarm High School

Our aim in the Modern Languages Faculty is to provide all learners with an enriching experience of language learning. In S1 and S2 this includes French, Spanish and Urdu with tasters in other language tasters such as Mandarin, Italian & German. We cover a wide range of Experiences and Outcomes across our curriculum in order to ensure that pupils are receiving a blended curriculum. Our courses aim to develop learners in the Four Capacities, as well as developing the Literacy, Numeracy, and Health and Wellbeing of each learner. We strive to make all Modern Languages courses enjoyable and accessible for all learners.
