

National 4 & 5 Graphic Communication Sketching and Rendering tasks

Complete each task below after being instructed by your class teacher. Tick off the task once you have completed it.

SKETCHING TASK:	DATE:	DONE:
Identity Thief. Create an identity for yourself by designing a logo that can be applied to your folio work. Incorporate your initials and come up with at least 5 ideas before settling on a final design.		
Easy as A,B,C. Design a typeface that will be composed of elements in the world around you. Sketch your 26 character alphabet and write a short paragraph explaining your inspiration.		
One line logo. Submit an identity design for the 2016 Olympic s in Brazil. The initial sketch of your logo must be composed from a single unbroken line. Don't lift your pencil - embrace mistakes.		
Sketch-a-day keeps the teacher away. Youtube ' <i>sketch-a-day 381 or 367: shoe sketch</i> '. Choose your trainer, watch the video carefully (pause and replay if need be) then sketch away.		
In your element. Create a collage that incorporates one or all of the design elements. Use magazines, newspapers, leaflets - anything that you have permission to cut up.		
5 x 5. You have been hired by a drinks company to create packaging for an affordable organic energy drink. Brainstorm a name for the drink then sketch 25 designs of the bottle/carton.		
Breakfast of champs. Write a few sentences describing a new cereal, including a brand name and ingredients. Spend 30 minutes sketching at least 2 package design concepts for this new product.		
Sketch-a-day keeps the teacher away. Youtube ' <i>sketch-a-day: 351: lantern</i> '. Watch the video carefully (pause and replay if need be) then sketch away. Use colour pencils if you don't have markers.		
Grungevetica. Create a modern version of the font 'Helvetica. You will need to do some research to find out what Helvetica looks like before grunging it up. Write your name in this new grungy style.		
Monster Mayhem. Design the user interface of a children's app that allows children to create their own monster. Be creative.		
Sketch-a-day keeps the teacher away. Youtube ' <i>sketch-a-day: 365: watch sketch</i> '. Watch the video carefully (pause and replay if need be) then sketch away.		
Recyclobot. Draw up easy to follow plans to construct a robot of your own design out of various household materials: cereal boxes, cardboard tubes etc. Your instructions should have 8 steps min.		
ZZZZzzzz. Create 4 thumbnail sketches of a poster with the slogan 'Sleep: It's What You Need'. Be creative in your use of illustrations.		
Sketch-a-day keeps the teacher away. Youtube ' <i>sketch-a-day: 371: bike light</i> '. Watch the video carefully (pause and replay if need be) then sketch away.
