UCAT

Learn about the five sections of the UCAT and work with your tutor to develop tailored approaches for each section. We can support you from topic overview sessions to personalised in-depth question practice. Whatever your needs, we can accommodate.

One to one session: £40/hour

Personal Statement

Together, we will deconstruct the essential components of a successful personal statement. Following this, we will dissect your personal statement and provide personalised feedback, to ensure you demonstrate the necessary skills and qualities for a successful application.

One to one session: £40/hour

Online revisions: £20/review

Interview

Grasp the key elements of interview: communication skills, ethics and role-play. With bespoke mock interviews and personalised feedback, we will build your confidence so you are best prepared to succeed.

One to one session: £40/hour

Group session (up to three pupils): £30/pupil/hour
