There are 2 ways of accessing Show My Homework:

- 1. Through glow on a laptop or home computer.
- 2. Through the SMHW or Satchel One APP on a mobile phone.

1. Through glow on a laptop or home computer.

After logging in – click on 'calendar' – a screen like the one below should appear.

Notice board	Hi everyone,				
a My drive	Hope you are all okay! just wanted to outline what will be happening in the lead up to the, what would be, summer holidays from school.				
Support	As you know, our Phy is department is made up of four teachers; Mrs Wylle, Mrs Kerr, Miss Carlin and myself, Mrs Wallace. Our timetable, as well as				
⊙ Logout	yours, has not been if lasted yet and what we are instead doing, is taking responsability for a year group each. I will be taking you through the Higher course over the net few months so please upload any submissions via SMHW attached to the homework I have set or email it to me at				
	Iwallace@bishopb_gs.e-dunbarton.sch.uk (please note; this is a lower case L not an uppercase i at the start of email).				
	Please familines and with the SQA Course Support Nores which I have linked below. Make sure you ge to know the key areas as I will be making reference to the and you should be tricking them off as we complete them, ensuing you are happy with the learning outcomes that belong to each of them.				
	The plan is to implete the introduction unit . This unit is on pgs 19 + 20 and is called 'Units, prefixes and uncertainties' . Uncertainties is completely new topular, awan't covered in NS. However, unitality fight identific notation should be a recisip for you and only two more prefixes are added to the target is or only exit NS, there exit points) and then 11.				
	We will the useful the units of context. We start with the unit called Particles & Waves. We will complete one key area, that will be KA 3 Nuclear reactions g 12).				
	Apologic that you don't have a paper copy of the PLP we will be working through. I will upload a Word version of this that you can type straight on to

You can now use the <u>Add attachment</u> tab to add your picture/word file/excel file or any other document you have saved on your computer.

Finally – use the **Submit assignment to teacher** tab to submit your work.

YOUR PHONE IS PROBABLY NOT THE BEST WAY TO SUBMIT WORK OTHER THAN PICTURES YOU HAVE TAKEN.

IF THE SUBMISSION REQUIRES A WORD OR EXCEL OR POWERPOINT FILE THEN WE WOULD ADVISE THAT YOU USE YOUR LAPTOP OR HOME COMPUTER.
