

# SCHOOLWEAR MADE EASY

Hello

In amongst the many challenges you are facing now we want to make the choice of your school uniform as simple as possible. We have three main aims over the next few weeks;

- i) **Availability** – We are fully stocked with the vast majority of your uniform.
- ii) **Reduce Complexity** – We are focussing on the key uniform items for your school.
- iii) **Assistance** – We can advise through Phone, E-Mail, Video and eventually, where applicable, in-store.

**We have three major timelines – June, July & August, September and beyond.**

## June

Our online service is fully operational at [www.schoolwearmadeeasy.com](http://www.schoolwearmadeeasy.com)

Woodfarm HS specific school page is: <https://www.schoolwearmadeeasy.com/badged-school-uniform/r-w/w/woodfarm-high-school>

Please place your order and our delivery will be approximately 7 days. *Braided School Blazers are taking slightly longer but will still be delivered in plenty of time for returning to school.*

## July / August

Our ongoing preference is for you to access the uniform online as this will be that fastest and most convenient way to service you. We will be re-opening our shops (on Government Guidelines) and will be operating two distinct ways to access the uniform if you need physical assistance.

Mon – Sat (**Morning**) – Appointment System will be launched towards the end of June.

Mon – Sat (**Afternoon**) – Queuing System – no appointment necessary.

We feel this offers both a certainty of timing (with the morning appointment system) and also covers flexibility with the option to turn up in the afternoon where they may /may not be, a queue for the store.

## September & Beyond

This will be determined by how you best wished to be served by a Schoolwear Supplier and we are taking lots of comments on this and storing them for consideration.

*Our mission is to make purchasing Schoolwear 'Easy', and we hope that the mix of Phone, Email, Video, Online, Appointment and Queuing systems gives you the maximum choice and flexibility to suit your needs at the current moment.*

***We really appreciate your custom and never take it for granted! Thank You***
