

School Development Plan 2023 / 2024

Target 1

Improving the Quality and Consistency of Learning and Teaching

- Implement a comprehensive L&T programme for staff
- Further research national curriculum changes and establish our vision for the future
- Work to embed skills development in all curricular areas

Target 2

Raising Attainment and Recognising Achievement

- Bespoke intensive Literacy and Numeracy support for Lowest Performing pupils
- Implement a new Tracking & Monitoring programme to ensure no learner is left behind
- Embed study skills and mentoring interventions
- Audit current provision and look to enhance recording and tracking of achievement
- Implement new systems to celebrate achievement at all levels

Target 3

Safeguarding and Supporting Pupils

- Review and enhance Promoting Positive Relationships Policy implemented in August 2022
- Target latecoming and attendance as a key priority
- Work to embed a whole school approach to nurture
- Work to further embed the principles of Rights Respecting Schools
- Ensure principles outlined in the Review of ASL and The Promise are implemented consistently in Woodfarm

Target 4

Developing Opportunities for Leadership and Empowerment across the school

- Further develop systems for school self evaluation in line with HGIOS?4
- Enhance current provision for staff CLPL and leadership pathways
- Increase opportunity for pupil leadership in response to pupil voice. (Young Leaders of Learning, Learning Ambassadors, Mental Health Volunteers etc)
