

Kinds of Teasing

Friendly, Fun

Not Friendly,
Hurtful

How do people respond?

Everyone laughs

People laugh, but NOT
the person being teased

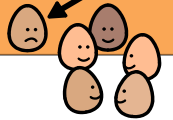

In a friendly, joking way,
including everyone, sign of
liking someone, being silly
with each other

How teasing is done

Insulting, a mean,
putdown way, excluding

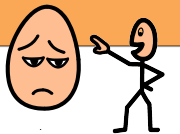

*How the person doing the
teasing feels*

Cheerful, Happy, want
to share fun

Powerful, mean,
superior, trying to hurt

*How the person being
teased feels*

Cheerful, Happy,
thinks its funny

Sad, Hurt, Angry,
Upset, Embarrassed
