

September 2024 broom nursery newsletter

Children continue to have access to the outdoor environment in all weathers. Please ensure your child is dressed appropriately for the weather and messy play as nursery life can be very messy! Please ensure your child has wellie boots that can be left in nursery and a spare change of clothes in their bag which is kept in the cloakroom area.

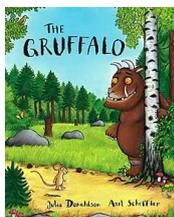

Children's Interests

The children have shown a keen interest in learning about bees. Staff will take this interest and learning forward by involving the children in planning a broad range of learning experiences that will cover many curricular areas including Literacy, Numeracy, Health and Wellbeing.

We are also planning in learning about each other's families as part of "All about me"

Can you please send in a family photo for us to display them and for the children to talk about.

Parental Involvement

We are keen for parents to get involved in the life and work of the setting. This helps to create strong links with our children and families. You are more than welcome to come in anytime to bake, read, craft activities. Please speak to a member of staff if you are interested.

Education Scotland Inspection

The outcome of our recent inspection (June 2024) is now published and available to view. This is available on the Education Scotland website and nursery website. There is also a copy displayed in the cloakroom area.
