My Teacher

Some information about my teacher:

- I recently got married so many of you will know me as Miss Reid but my married name is now Mrs Gauld.
- My favourite subject to teach is Social Studies.
There are lots of excellent links across learning like art, science and drama.
- When I am not in school I like to play netball, bake cakes and meet up with my friends.
- I run the after school netball club for primary P4&5s and P6&7s.
- I have a pet cat called Willow.

 Your
classroom
will be
upstairs in
room 16.

Things about school that will be different when you come back:

- Desks will be set out with spaces in between, so you are a safe distance from each other.
- You will have your own bag with equipment such as pencil, rubber, sharpener, glue stick, scissors, whiteboard and pen. This will be kept in school and will belong to you.
- You will be asked to wash your hands every time you come into the classroom and leave the classroom.

Things about school that will be different when you come back:

- Every year group will have a different area of the playground.
- You will have your packed lunch in the playground or in the classroom if it is wet.
- Playtime and lunchtime will be at different times, so there are not too many children in the playground at the same time.
- There will be a limit to the number of children in the toilets. This is so you are not too close together.

Signs you will see around the school:

No more than
2 people to use these
toilets

Things about school that will be the same when you come back:

- You will see and talk with your friends.
- You will get to know your teacher and your teacher will get to know you.
- You will go outside at playtime and lunchtime.
- You will have jotters to do your work in.
- You will learn and have fun!
